13 OUR ENVIRONMENT

THEME 2: OUR ENVIRONMENT

STRATEGIC DIRECTION 2: ENVIRONMENTALLY SUSTAINABLE AND PRODUCTIVE SHIRE

By 2027, we will maintain a healthy balance between our natural and built environments.

COMMUNITY ENGAGEMENT

Through extensive community engagement, the Narrabri Shire community identified several environmental priority areas to be actioned over the 2017 - 2018 financial year.

COMMUNITY SERVICES

Current services provided within the Narrabri Shire community include:

- Waste management and recycling
- Environmental planning
- Planning and development
- Parks and open spaces
- Noxious weeds control
- Floodplain management
- Water and sewer management
- Stormwater management

COMMUNITY OUTCOMES

In partnership with the community, government and non-government agencies, the Operational Plan will work towards achieving the following environmental strategic outcomes:

- Improved air, water and soil quality
- Reduction in domestic and industry waste
- Management of potential impacts from extractive industries
- Improved emergency service provision and resources
- Maintenance of heritage sites for future generation

DELIVERY PROGRAM ALIGNMENT**2 Environment**

Objective 2.2 We will protect our environment through sustainable planning and well-resourced emergency services

Strategy 2.2.4 Decision making will be informed by the principles of Ecologically Sustainable Development and the precautionary principle

EXECUTIVE SUMMARY

A member of the Floodplain Risk Management Committee has provided a resignation from their membership of the committee. Once accepted, a replacement must be found and selected.

RECOMMENDATION

- 1. That Council accept the resignation of Conrad Bolton from the Floodplain Risk Management Advisory Committee and thank him for his contribution to the community as a member of that committee.**
- 2. That Expressions of Interest (Eols) be sought for the vacant community delegate position in accordance with the adopted Terms of Reference of the Floodplain Risk Management Advisory Committee.**

BACKGROUND

Conrad Bolton is a member of the Floodplain Risk Management Advisory Committee (The Committee). He has diligently and actively served on the Committee since its inception as both a Councillor delegate and as a community representative. On 21 April 2022, Mr Bolton advised Council that he wished to withdraw his membership of the Committee.

CURRENT SITUATION

There is no reason for Council to not accept Mr Bolton's resignation from the Committee. Once accepted, there will be a vacancy on the Committee. Expressions of interest should be sought for a replacement Committee member as soon as possible to fill the vacancy.

Given Mr Bolton's service on the Committee, it would be prudent and appropriate to thank him for his contribution.
